The Gem Lakes Recreation Association Board of Directors met on the morning of Saturday November 13th, 2010 at 8:30 a.m.

Treasurer's Report:

Not all Oktoberfest receipts in yet but so far we are under budget. Well attended and several compliments from attendees.

Discussions on next years Oktoberfest choice of 15th, 22nd or 29th. Food quantities to be adjusted slightly (more conventional potato salad and bottled water).

Christmas Gathering budget items: removed entertainment approved funding a furnished trailer for the evening \$200.

Discussed collection of fees from sale of lots in new phase to contractors who are building on. Bob to contact Kichner.

Recreation Manager's Report:

Rec. area reservations/ usage still strong.

Security Manager's Report: None

Lake / Property Manager's Report:

Status of dam project (email from Buddy). Job is progressing on schedule with no unexpected issues/ delays. Expect swimming lake to be at lowest level by 12/6. Discussed beach reclamation process and weed control.

Approved purchase of signage to warn of unstable ground around lowered main lake.

Presentation on uppermost lake major landscaping project. Members walked it down with homeowner. Intrusion on to GLRA property is to be kept to a minimum. Homeowner understands that GLRA members allowed on lake and that lake not tested for swimming.
